

IMPORTANT NEWS FOR CURRENT STUDENTS - CPP20212 CERTIFICATE II IN SECURITY OPERATIONS

New Training Package* Introduced by LRD and STA

Rescheduling Policy and Transitioning from Old Training Package to New Training Package

Licencing and Regulations Division (LRD) of Victoria Police and Security Trainers Australia (STA) have introduced a **new training package*** for CPP20212 (Certificate II in Security Operations). All RTOs are required to implement the new package.

What has changed?

	Old CPP20212	New CPP20212
Delivery Hours	128 face to face hours	136 face to face hours
DAY Class Timings/Duration	17 days; 8 hours per day e.g. 8:30 am to 4:30 pm	17 days; 8 ½ hours per day e.g. 8:30 am to 5 pm
NIGHT Class Timings/Duration	4 hours per day; 32 nights e.g. 6pm to 10pm	4 hours per day; 34 nights e.g. 6pm to 10pm
Number of Units of Assessments	19	19

How this affects me (only for students who enrolled in the old training package*)?

- If a student enrolled and completed certain units in the old training package, they must complete their missing/remaining units in the new package.
- If a student completed part of some unit or units in the old training package, they must complete the **full unit** again in the new training package.
- The ***Training Plan and Schedule*** for new training package is different from the old training package. For example, if delivery/assessment of a particular unit in the old package was on DAY 1, in the new package it could be on DAY 2 or DAY 3 or even both DAY 2 and 3.

WE APPRECAITE YOUR ADHERENCE TO THE NEW POLICY. PLEASE CONTACT ADMIN OFFICE FOR ANY QUESTIONS.

**the word "training package" is used as a general term to describe "training plans, student timetables, learning resources, sessions plans, role plays and practical activities" that pertain to CPP20212.*
